To Whom It May Concern:

Under the South Carolina Freedom of Information Act, I seek copies of all communications digital or physical between the South Carolina attorney general's office and Uber Technologies Inc. regarding Uber's 2016 breach affecting customer and driver data, and its subsequent settlement.

Responsive documents may include, but not be limited to, communications, contracts and supporting documents between the attorney general's office and the following individuals:

Dara Khosrowshahi, Matt Olsen, Tony West, Tammy Albarran, Salle Yoo, Angela Padilla, Jill Hazelbaker, Matt Kallman, Scott Schools, Regina LaMonica, Christopher B. Wilson, E. Desmond Hogan, Michelle Kisloff

I seek records from Nov. 1, 2017 through the date of this request.

As this is a matter of public interest, I ask that you expedite my request. I request the information as a member of the news media, not for any commercial purpose.

If possible, I would prefer to receive any responsive documents in digital/electronic format.

Regards,
